MILITARY DISPLAY -The National Guard, of New York, one of the finest drilled Volunteer Regiments in the Union, are expected to favor our citizens with an exhibition of their wonderful efficiency on Tuesday morning next. The Fire Department of Richmond have furnished us with their report for the month of June, by which it appears that there were five fires and alarms of fires and property to the small amount of \$200 only was lost, while that saved amounted to \$8000. This report speaks well for the firemen of our city. Rich. South.

The Petersburg Express says :- A most disgraceful affair, we understand, occurred on Thursday evening at Clarke Spring, near Richmond, in which Mr. Nicholas Arrington. the well known North Carolina game breeder, was villainously attacked by a number of "shoulder hitters," and so severely beaten that it was thought he would not survive.

The Richmond Dispatch says :- " Next Wednesday is the day fixed upon by the City Council for our citizens to say at the polls whether they will continue to elect all the municipal officers, or have them elected by the Council or the Hustings Court.

SHOCKING.-Yesterday afternoon, a fine looking cow fell down, overcome with the heat, on the corner of Pennsylvania avenue and 44 street. This was the signal for action on the part of several butchers, who immediately put an end to her existence by means of that formidable instrument known as the "butcher's knife."
